

Institute of Information Technology and Management, New Delhi
Assignment-3

Programme: BCA Semester: VI M1 Paper Code: BCA 302 Academic Year: 2025-2026

Subject Name: Data Warehousing and Data Mining

Max. Marks: 20

Course Objectives

1. To understand the basic principles, concepts and applications of Data warehousing and ELT tools.
2. Differentiate Online Transaction Processing and Online Analytical processing
3. To understand the Data Mining Process, Technologies & Rules, platform tools and data pre-processing or data visualization techniques.
4. Identifying business applications of data mining
5. Develop skills in selecting the appropriate data mining algorithm for solving practical problems

Ques No.	Problem Statement	Course Outcomes (Cos) CO3, CO4
1.	Explain the steps involved in data pre-processing, including data cleaning, integration, reduction, transformation, and discretization	
2.	Introduce the IRIS dataset and its significance in data analysis and machine learning	
3	Describe the Apriori algorithm and how it works to discover frequent item sets and association rules	
4	Explain the concept of data mining and its significance in various fields.	

Course Outcomes (COs)

CO1: Understand the various components of the Data warehouse.

CO2: Appreciate the strengths and limitations of various data mining and data warehousing models.

CO3: Critically evaluate data quality to advocate the application of data pre-processing techniques.

CO4: Describe different methodologies used in data mining and data warehousing.

CO5: Design a data mart or data warehouse for any organization

CO6: Test real data sets using popular data mining tools such as WEKA

Assignment Rubrics

Assessment Criteria	Weightage
Information and understanding of the problem	45%
Application/Synthesis of concepts/ Practical Implementation/ Critical Thinking	35%
Conclusion/ Implication/Discussion/Presentation	20%

Last Date for Submission: 14th April, 2026

Guidelines for submission

- The assignment should be legibly handwritten
- Tables and figures should be named properly.
- Use only A4 size sheets for the assignment.
- Assignment after the last date will be MARKED LATE and marks will be deducted for the same.

The following information should appear on the cover page of the assignment:

- Assignment No
- Submitted to
- Submitted by (Name & Enroll No)
- Date of submission
